EDUCATION

Lambda School
Full Stack Web Development Course
April 2019 - April 2020

EXPERIENCE

TEAM LEAD-LAMBDA SCHOOLS 2019-2020

Provided daily feedback and issue resolution of all curriculum through slack help channel and code review. Delivered 1:1 feedback and code review on a weekly basis. Lead a team of 8 students that emulates a real work environment using Agile Methodology. Facilitated daily standup meetings to build camaraderie, facilitate sharing of ideas and work progress, and provide guidance for that week's material. Delivered supplemental lectures on various topics related to Software Engineering.

SECTION LEAD-LAMBDA SCHOOLS 2020

Lead a cohort of 200 students and 20 Team Leads through core curriculum in programming and software engineering modalities. Lead a team in Agile Methodology, facilitated with Daily Stand-Ups, organizing goals, work progress, and handle conflict resolutions. Facilitated further learning on varied topics with Mock Projects and code practice challenges related to software engineering.
